Happy 21st Birthday, Laura!

Dearest daughter Laura,

On the day you came to this world, your life and my motherhood started. We were both very much unfamiliar with our new lives and since then we have been supporting each other in every way. AS I welcome you to the adulthood, I just want to tell you how much I

appreciate you coming to this world as my daughter and how proud I am to be your mother.

I will always be your number one fan no matter what you decide to do in your life. Enjoy every moment. There is so much you can do and see in this world.

With Love, Mama

Family Vacations

San Diego trip was Laura's very first family trip. She enjoyed strolling through Old Town.

Family camping to Balch Park, Yosemite, and Avila Beach was fun followed by hot springs treat.

Las Vegas was one of Laura's favorites. Dolphines (Especially "Pablo", buffet, Circus Circus, monorail ride, & fireworks, gorgeous water fountains & lightings, pools were something she always looked forward to.

One of the most memorable trips are to Hawaii: 2002 Maui Marriott & Oahu, 2006 Kauai trip staying at Sheraton Kauai, and 2007 Maui staying at Westin Kaanapali. Maui Marriott Resort was on the beach with fascinating pirate boat pool & daily Hawaiian activities. Staying with Tanimotos on Oahu was first time meeting cousins and friends in Hawaii. Sheraton Kauai provided daily breakfast on the beach followed by daily beach play and island tours. Revisiting Maui staying at Western Maui Resort was fun. This time Haleakala craters were visible, Iao Needle visit provided fun river play and Gekko episode.

Hawaii has been our family's one of the most favorite place to visit and forever will be.

Trip to Japan

Laura's first trip to Japan was in April 1995 when she was 10 month old. Her first discovery of Japanese living was the SHOJIDO by poking through the Shoji paper with a little baby finger making holes to peek. Meeting her Great-grandma Sutewo and taking the 4 generation of Yokoyama female photo was unforgettable.

Family favorite trips were visiting IZU where beach is beautiful, food is superb and hot springs are so relaxing and rewording.

Meeting relatives and seeing friends in Japan has been always so blessing - special thanks to Mototanis, Konos, Yuges, Yokoyamas, & Nishi-Komatsugawa Elementary School staff and friends.

Milestone events in Japan:

Shichigosan - 3 & 7 years old

Seijinshiki - 20 years old
