Dear Parishioners,

As Catholics, we share God's unique and generous gifts of Liturgy and the Holy Eucharist which fortifies our souls and secures our places in heaven.

As parishioners, we share a "good life" with our families, relatives, friends and church community as we learn about our faith and pass it on to our children and grandchildren.

All of this continues because of the faith, and generous stewardship, of our parishioners. As parishioners who receive so much, and have for so long, you have a unique opportunity to give back so that you will share in the joy of hearing that so many are walking in the truth.

If God has blessed you materially, you are in a position to make this a living legacy.

Consider an endowment as a tangible way to say "thank you" to our God. All your sacrifices, good deeds, and those who directly benefited by your stewardship, will join the chorus of praising God on your behalf.

Think again of the beauty of this quote: "Nothing gives me greater joy than to hear that my children are walking in the truth." Your gifts of today will help Christ's love reach out through sacraments, healing, spiritual and material aid. Therefore, never forget your parish. Become a donor of SJN's Endowment fund and pass the opportunities on to your descendants to know Christ and walk His path.

David Albino

I have no greater joy than to know that
my children are walking in the truth.
